Retreat Policy

It has come to our attention that we are putting the property tax-exempt status of Seabeck in jeopardy and we certainly do not want to do that. So going forth at retreats, we will have a new policy.

When we have a masseuse, a sewing machine repairman, the painter, or anybody else who comes to offer us a service at retreat, we will be running their fees through our books. So that means that individuals will make a check out for the amount owing to Quilts from the Heart and a QFTH check will be made for the total amount owing to the service provider.

The retreat coordinator will decide who the service providers will be at each retreat.

This also means that we cannot have individual members selling items for their own benefit. Now, we have had events that have benefitted Quilts from the Heart, and that's okay with Seabeck's status as Quilts from the Heart is a non-profit. But we cannot have anybody raising money for their own benefit.
