

QUILTS FROM THE HEART is a non-profit public benefit organization of volunteers dedicated to the care and comfort of those in our community who are most in need. We provide handmade patchwork quilts to warm the body and soothe the heart and soul. Our members share their love of fabric, quilting and friendship in a "no pressure" atmosphere of fun and camaraderie. Since 1993, we have donated over 10,000 handmade quilts to small organizations serving "at risk" children, teenagers, and adults, primarily in the Puget Sound and Long Beach areas of Western Washington.

Our charter organization is located in the North Seattle (Edmonds) area. We also have chapters in Bellevue, Algona-Pacific, Ocean Park and Poulsbo, Washington. Visit quiltsfromtheheart.org for meeting times and directions. To view some of the quilts given out in our community to date visit: qfth.smugmug.com.
